

Employment Verification Info

The Work Number is an automated service that provides employees with the ability to quickly provide proof of their employment or income and it is available 24 hours a day, 7 days a week.

This service is a great benefit when buying a home, renting an apartment, leasing or purchasing a car, establishing credit, or applying for a loan and it is easy to use. It can also be used to verify employment for social service agencies or other state agencies needing this information.
