

Employee Assistance Program (EAP) Info

You may have heard about EAP but aren't sure what it is. EAP is a service available to you at no extra cost to help you with everyday problems and questions, big or small. No need to fill out paperwork or make an appointment to speak with an EAP staff member.

Just call the number below and you'll be connected in an instant. Your privacy is important to us so no one will know you've called EAP unless you give them permission in writing. We're here 24 hours a day, every day, to help you.
