

Enlivant New Jersey Outbreak Plan

The community will comply with all directives from the State of New Jersey in the event of a COVID-19 outbreak.

STRATEGY FOR COMMUNICATION WITH STAFF, RESIDENTS OR DESIGNEE ABOUT ANY INFECTIOUS DISEASE OUTBREAKS

Methods to communicate information on mitigating actions implemented by the facility to prevent or reduce the risk of transmission, including if normal operations of the facility will be altered.

1. COMMUNICATION METHODS

Executive Director (ED) or designee to provide ongoing communication to residents and/or resident designee via telephone, email, or in person at least weekly.

Community will coordinate and provide for virtual communication (e.g. phone, video-communication, Facetime, etc.) with residents, families, and resident representatives, in the event of visitation restrictions due to an outbreak of infectious disease or in the event of an emergency.

2. STAFFING

Community is staffed to meet the current and expected care needs of residents. Community has partnered with affiliated communities in a “buddy staffing” program along with contracting local staffing agencies to ensure no staffing shortages occur.

3. WEBSITE

The outbreak plan will be posted facility’s website for public view by October 10, 2020.

STRATEGY FOR TESTING

To ensure the facility has taken appropriate measures to protect residents and staff, descriptions of those strategies are required in this section.

4. MANDATORY TESTING

Residents

Community will repeat weekly testing of all residents until no new facility-onset cases of COVID-19 are identified among residents and positive cases in staff and at least 14 days have elapsed since the most recent positive result and during this 14-day period at least two weekly tests have been conducted with all individuals having tested negative.

Staff

Community will continue weekly testing of all staff until guidance changes.

Reporting

Facilities will continue to report testing data through the New Jersey Hospital Association (NJHA)

COMMUNITY CONTACT
